Subject: I am extremely opposed to the Microsoft Settlement

Hello.

I am writing to voice my opposition to the proposed settlement for the following reasons:

The settlement fails to prohibit anticompetitive license terms currently used by Microsoft.

The settlement fails to prohibit intentional incompatibilities historically Used by Microsoft to prevent fair competition.

The settlement contains misleading and overly narrow definitions and Provisions.

The settlement doesn't take into account Windows-compatible competing operating systems.

The settlement fails to prohibit anticompetitive practices towards distributors.

Please do not accept this settlement as just, because it is not. It is a gift to Microsoft and will do little or nothing to tackle the problems that necessitated its creation.

Thank you
